

DESTINATION Vendor Parking

DIRECTIONS

Vendors visiting Munson Medical Center must park in Lot J, located off Brook Street and Medical Campus Drive. All other parking lots are designated for patients and visitors.

After parking, vendors should enter Munson Medical Center through the Receiving Dock pedestrian entrance.

Vendors must sign in at the REPtrax Kiosk located at Loss Prevention, just inside the Receiving Dock entrance.

After logging in at the kiosk, a temporary ID badge will print and must be worn while in the hospital. This badge verifies that the vendor has registered with Loss Prevention and may access the facility.

All vendors are required to sign out at the REPtrax Kiosk after completing their visit. If you have questions about where to park or the sign in process, call Munson Security at (231) 935-6700.
