- Case Submissions:** Cases/research should be submitted one-week prior to presentation date(s) to Robin Graham
- Host Site:** Munson Medical Center, REMEC Classroom, Basement
- Accreditation:** **MMC CME Accredited. See Accreditation - Designation Statements for details.**
- Objectives:** To link CME with clinical performance improvement throughout the region with this, areas, orthopedic surgeons and their physician extenders. These CME activities continuously allow surgeons to assess gaps between ideal standards and their own practices. Our goal is to bring these surgeons together from various practices across northern Michigan to discuss clinical cases, present actual radiologic views, give and receive input regarding the clinical outcomes that we hope to achieve. These include advice from peers that have sound clinical application based upon experience, learning from each other about best-practices, new techniques and procedures, and research.
- Restrictions:** **This program is restricted to Orthopedic Surgeons and invited Physician Extenders and guests from restricted sites (REMEC Member Sites Only). (REMEC Sites are listed on the member site tab at [www.remectelehealth.com](http://www.remectelehealth.com))**
